## **Activism**

### **What do we want to do/support?**

- Don't reinvent the wheel, work with groups who are addressing issues we care about
- Groups we thought of were HOPE, FCNL, Friends Peace Teams, Right Sharing of World Resources (stamp project or simple dinner – mostly need \$\$\$)
- Anything someone is led to do – minute/letter writing
- Be a Witness
- Announce periodically in Meeting that people should bring ideas forward (Ministry and Counsel)
- Better support folks who do the actual activism – by participating
- Encourage friends to announce their activism and let us know how it went
- Activism is key to our Quaker identity and faith
- May be a way to draw folks to Meeting
- Add something on webpage
- Activism minutes – on our Take Action Web page – maybe make more prominent
- Activism pointer on Facebook – CJH volunteered to do this
